FOR IMMEDIATE MEDIA RELEASE

July 2, 2016

Minieri Associates Adds its 8th Country Representative

Minieri Associates, a global independent security consulting and engineering firm, has established it's 8th formal business relationships under the company's AFFILIATE program with the addition of Kenya. Local representation is now in place in, India, Oman, Germany, Nigeria, Saudi Arabia, China and the Philippines in addition to its global headquarters in the United States.

"*We have often undertaken client projects in cooperation with a local or regional entity and this participation has historically proven to be mutually beneficial to all stakeholders",* said Michael Minieri, Founder and Principal Security Consultant, "*Our first informal relationship started with India in 2008 and we began formalizing this strategy in 2013 based upon that experience*".

Local contacts cover their base country and also the surrounding countries. "*The local logistical, bureaucratic, administrative and language support is always a valued benefit to us and, ultimately, to our clients as well*," he stated, "*This also gives us a low- or no-cost mechanism for satisfying requests for an initial or preliminary face-to-face meeting with the prospective client".*

He said that the company now has 4 Regional Territories covering the world and are shown on the contact page of the MinieriAssociates.com website along with the eight local contacts. Minieri Associates has experience in 30 countries.
